

Living With Hope

A Special Day for Those Dealing with Cancer

Join us for this special event, sponsored by the Parish Nurse Coordinators Network, of which Grand View Hospital is a part. Discover sources of hope and the connection between spirituality and health when dealing with cancer.

KEYNOTE SPEAKER

REVEREND DR. MICHAEL BARRY

Author and Director of Pastoral Care at Cancer Treatment Centers of America®, Rev. Barry specializes in the connection between spirituality and health as it relates to cancer, helping patients with cancer and their families learn to deal with stress and move toward recovery. He is also the author of two books on spirituality and health – *A Reason for Hope* and *A Season for Hope*.

All are invited to attend. CEUs will be available for RNs.
